## **This Cleanse is Written in the Dead Sea Scrolls!**

### **Quotes from dead sea scrolls:**

"Think not that it is sufficient that the angel of water embrace you outwards only. I tell you truly, the uncleanness within is greater by much than the uncleanness without. And he who cleanses himself without, but within remains unclean, is like to tombs that outwards are painted fair, but are within full of all manner of horrible uncleannesses and abominations. So I tell you truly, suffer the angel of water to baptize you also within, that you may become free from all your past fears, and that within likewise you may become as pure as the river's foam sporting in the sunlight."

"Seek, therefore, a large trailing gourd, having a stalk the length of a man; take out its inwards and fill it with water from the river which the sun has warmed. Hang it upon the branch of a tree, and kneel upon the ground before the angel of water, and suffer the end of the stalk of the trailing gourd to enter your hinder parts, that the water may flow through all your bowels. This will free your body from every uncleanness and disease. As the water runs out of your body, it will carry away from within it all the unclean smelling things of fear. And you shall see with your eyes and smell with your nose the abominations, and uncleannesses which defiled the temple of your body; even all the fears which abode in your body, tormenting you with all manner of pains. I tell you truly, baptism with water frees you from all of these. Renew your baptizing with water on every day of your fast, till the day when you see that the water which flows out of you is as pure as the river's foam. Then betake your body to the coursing river, and there in the arms of the angel of water render thanks to the living God you are free from your fear. And this holy baptizing by the angel of water is: Rebirth unto the new life. For your eyes shall henceforth see, and your ears shall hear. Fear no more, therefore, after your baptism, and the angels of air and of water may eternally abide in you and serve you evermore."

After the Cleanse you are rare in the world. You have fewer worms, parasites, mucus, ropes, pepper stems, metals, chemicals, pills, liver and gallbladder stones, and other assorted lifetime accumulations than most people you know. Your sugar, blood pressure and cholesterol levels are normal! Your skin looks radiant and you remember your glow! It's okay to be the one you have been waiting for, if not you, then who; if not now, then when? You can do it later, maybe? What if later never comes?
